

# Protection of personal data

## Policy on the use of cookies

---

In accordance with the provision of § 89 paragraph 3 of Act No. 127/2005 Coll., on electronic communications, as amended, we hereby inform you that in order to improve the services provided to you, our website uses so-called cookies for its operation.

### What are cookies?

Cookies are small data files that the visited website sends to your browser, which stores them on your computer and is normally used to distinguish individual users. However, the person of the user is not identifiable based on this information. Cookies help remember your activities and preferences for a certain period of time so that you do not have to re-enter them when you return to the website or move from one website to another.

### What do we use cookies for?

Cookies help to easily browse websites. Cookies mainly serve to ensure the correct functionality of our website.

Our website uses temporary cookies, so-called "session cookies", which are only temporary and remain stored on your device only until the end of the browser session. As soon as the browser is closed, they are deleted from your device.

### Types of cookies used by our website:

type	name	purpose	expiration
necessarily	PHPSESSID	user identification	by session
